

Construction Begins on Greer's Newest Distribution Park

September 26, 2019 – Greer, South Carolina

Construction has officially begun on what will be Upstate South Carolina's newest 42-acre distribution park – Carolina Commerce Center. McDonald Development Company is developing the park, which will feature two Class-A, rear-load distribution warehouses totaling 458,754 square feet.

Building One will have 327,139 square feet, 32' clear ceiling height, (32) 9'x10' dock high doors, (38) 9'x10' knock out doors, and (2) ramped doors. Building Two will have 131,615 square feet, 32' clear ceiling height, (15) 9'x10' dock high doors, (15) 9'x10' knock out doors, and (2) ramped doors.

The current completion date is set for early 2020.
